

Dear Squash Community:

We are excited to announce the new Penn Squash Center is officially open!

We have heard the feedback of you, our most avid squash playing community, and I am happy to share these adjustments to our pricing model with hopes of re-engaging this great community in our new state of the art facility. This revision has been the result of intake of significant feedback from our community comprised of students and faculty/staff, and in person meetings with former members.

Founding Members Discount Promotion valid through November 30, 2019:

- Faculty/Staff, Alumni and Seniors (age 65+) will be eligible for an unlimited Squash membership only for the annual price of \$750.
- This membership package will also include a free locker rental inside the Tse (Hutch) Locker Room as supplies last (full length or half length) through the August 2020 renewal period.

Faculty/Staff Premium Plus Unlimited Membership with Fitness Membership:

- Faculty/Staff will be eligible for an unlimited Squash membership, plus a Fox Fitness Center only membership for the annual price of \$999.
- This membership package will also include a free locker rental inside the Tse (Hutch) Locker Room as supplies last (full length or half length) through the August 2020 renewal period.
- Price offer will be pro-rated monthly for this year.

If you find that an unlimited membership is not suited for your schedule, we will still offer pay as you play pricing, with a discounted faculty/staff membership of \$82.50 and court reservations up to 90 minutes during peak hours at \$20 per player or \$10 per player during off peak hours.

Student Pricing:

- Free base membership. Court reservations are priced at \$10 for peak and \$5 for off-peak per member.
- Monthly unlimited pass for \$25 per month. Students can skip months when they are not on campus.
- Open play times will be available to allow students to play free of charge based on availability.
